<https://rahulyyadav.github.io/My-Portfolio/#>

Dedicated web developer and software engineer with a passion for continuous learning and growth.

### WORK EXPERIENCE

#### SIAM • VIT vellore

I have been actively involved in this chapter since my first year of college. Through my involvement, I have had the opportunity to develop and work on numerous projects, while also gaining valuable social skills that I believe will allow me to effectively engage with companies and work efficiently with them.

#### Board Member • Board

- Group-leading skills led to a 30% improvement in member engagement, fostering a more collaborative and cohesive team environment.

### CERTIFICATIONS

#### AWS Certification • 03/2024 - Present

Amazon Web Services

#### How to Crush Self-Doubt and Build Self-Confidence •

05/2023 - 05/2023

LinkedIn

### PROJECTS

#### Environmental Pollution

An Animated website on environmental pollution presents pollution levels interactively and shows the different pollution levels.

#### Xylophone IOS app

Xylophone is an app built for children. A creative and engaging game
